ACCIDENT NARROWLY AVERTED

Saturday afternoon when the heavy
shower was at its worst, Dr. W. H.
Lawrence left his office in his new
Palge car and started to the White
& Webb garage to put it under shel-
ter. He came down Main Street to
Mosley and turned across the H. & T.
C track. The rain was falling in
sheets and the doctor was running
very slow to keep from skidding.
Just as he was upon the main track
he heard a train whistle, and threw
his throttle open to go faster, but
killed his engine. The train was then
very close, and as his curtains were
all up and fastened, the doctor could
not get out of the car. The engineer
saw what was about to happen and
threw his engine in reverse and the
train was stopped only a few feet
from the crossing. It was indeed a
close call, and those who saw it held
their breath until the crisis was
passed.

CARD OF THANKS.

On behalf of the executive commit-
tee of the Farmers' Short Course, I
desire to express my sincere thanks
for the kind and earnest co-operation
of the people of Bryan, especially the
Commercial Club, the Woman's Club,
the Young Ladies' Reading Club, dur-
ing our Short Course and Farmers'
Congress. Special thanks are also
due the ladies of the Campus Club for
their assistance. The Short Course
students were enthusiastic about the
reception and entertainment they re-
ceived. They were unanimous in de-
claring this the most successful
Short Course ever held.

STRUCK BY LIGHTNING.

T. F. Carson of Union Hill Knocked
Unconscious.

Saturday afternoon a few minutes
after 4 o'clock, Mr. T. F. Carson of
Union Hill was struck in a very pec-
uliar way by a bolt of lightning. He
was standing in the horse lot at the
home of his father at Union Hill un-
der a small tree, where he was taking
refuge from the rain which was fall-
ing. Mr. Carson had on a felt hat,
which was soaked with water, and the
top of same was touching a clothes
line which was stretched from a large
tree across the lot to the one under
which he was standing. The bolt of
lightning struck the larger tree and
came across on the wire, knocking
him down and unconscious. It was
several hours before he could be
brought to, and his suffering since
has been almost unbearable. Yester-
day afternoon he had convulsions and
two or three slight hemorrhages, but
today's reports from the attending
physicians say he is resting well, con-
sidering the terrible shock he re-
ceived, and that hopes for his recov-
ery are much better than at first.

NEW DEPUTY SHERIFF.

Mr. L. E. Morehead took the oath
this morning and was sworn in by
County Clerk W. S. Higgs as a deputy
sheriff in Brazos County. The new
deputy will work mostly in Precinct
No. 4, but his jurisdiction covers the
entire county. Mr. Morehead comes
to this city from the Steep Hollow
community, and is very highly recom-
mended as a good, sober, upright man,
and Sheriff Nunn says that he will
no doubt prove to be a first-class of-
ficer of the law. He is a married man
with a wife and three children, and
recently moved to the city from Steep
Hollow and is located on West Cald-
well Street.

ASHBURN GOES EAST.

Ike Ashburn, the publicity man for
the A. & M. College, left yesterday
for Plattsburg, N. Y., where he goes
to attend a citizens' training camp,
which will be in session several days.
He will also visit many other eastern
cities while away.
